Robin Hood Gardens, Poplar, London

Dear Mrs Crouch,

We have learned with much regret of the plans to demolish Robin Hood Gardens. The Swiss Architecture Council, the common forum for all of Switzerland's universities and universities of applied sciences where architecture is taught, and the Swiss Society of Engineers and Architects (SIA) would like to ask you to do your utmost to save Robin Hood Gardens, given the importance of this social housing development of the post-war years.

Yours sincerely,

Prof. Stephan Mäder
